Planners Approve Williams Application To Establish Quito Road Commercial Zone; Other Local Matters Heard

Planning Commissioners approved on Wednesday an application of Walter W. and Hazel Williams to rezone property on the west side of Quto Road, north of the Southern Pacific Railroad from an R-1:B-2 residential zone to C-2 commercial. The Williams plan to relocate their cold storage plant there and probably to build a grocery store.

Denied was the application of Charles P. Bray for C-1 commercial zoning on the west side of Santa Clara-Los Gatos Road between W. Parr Avenue and Chapman Drive. Strenuous protests were registered against the application at both public hearings by residents of the area. Commission denial was based on lack of necessity for rezoning, plus hazard to public safety, since the highway is presently overcrowded by a concentration of vehicles. Commercial zoning, they felt, would add to the traffic problem on the inadequte highway.

Extension of the apartment house zoning on the east side of Union Avenue, between Charmeran Avenue and Stratford Drive, was approved by the commission. Schaeffer Lands, Inc., submitted the application for zone extension to cover three more lots in addition to present R-4 apartment house zoning.

Petition of Flora Boskovich and Harry Houser to rezone for C-2 commercial the present R-1 residential property on the south side of Stevens Creek Road, between Genevieve Lane and Daniel Way, was denied. The plan board found that no necessity for the spot zoning exists, and adequate shopping facilities are provided nearby.

LINE ADJUSTMENT

Approved was application of C. B. Goodrich and C. R. Fetzer for rezoning to R-1:B-D residential classification property between La Rinconada Drive and Zina Avenue, west of Natalye Road. The matter merely called for rectification of a zoning line whose location was in doubt.

Second public hearing on petition of Antonio and Theresa Severo for commercial zoning on the northwest side of Santa Clara-Los Gatos Rd. approximately 1300 feet south of Budd Avenue, was scheduled for December 20. Seven residents were at the hearing to protest rezoning. Severo had earlier operated a retail store on the property in violation of zoning regulations.

Planners approved adjustment in zoning provisions to allow Kenneth Stringfellow to construct a temporary real estate office within the official plan line on the east side of San Jose-Los Gatos Road between Campbell Avenue and Fewtrell Drive. Approval was on condition that if Stringfellow sells the property or if the building interferes with future street widening, he will, at his own expense, remove the building, foundation and all appurtenances, leaving the land clear, as before.

NUMBERING PLAN

Commissioners approved for adoption the master plan of uniform house numbering for the entire county. The plan will be submitted to the Board of Supervisors for final approval. The plan would establish a county-wide numbering system to simplify mailing and direction finding.

Joseph Kiser Co.'s application for a use permit to construct and maintain 13 cottages for share growers' quarters was approved. Property is in A-1 zone, and located at the northeast corner of the Stevens Creek Road-Lawrence Station Road intersection.

First public hearing was set for January 3 on resolution of intention of petition of Lionel J. Tilson and Philip S. Sanfilippo to seek C-1 commercial zoning on property located in the El Quito Park subdivision between Saratoga Avenue and Quito Road south of the intersection thereof and northerly of Paseo Cerro. A similar application of the two was recently denied by the commission.

School District Population Growth Leading Factor In Expansion Need

Growth in elementary school population of Campbell Union School District is one of the points emphasized by recent local syeakers who favor passage of the school bond measure which comes before district voters December 14.

Since 1944 the elementary school population in the district has grown from 1000 to 2600, an increase of over 150 percent. Estimates based on number of preschool youngsters already in the district and new homes scheduled for construction give an elementary school population of over 5000 by 1954.

At present district teachers are teaching 80 classes in 63 classrooms, many classes being taught in temporary quarters or rooms that are unfinished.

To take care of the present overcrowded situation, and bring building capacity to requirements for the next few years, school trustees have planned a large scale building program which includes additions to and completion of present buildings, purchase of four new sites and construction of five new schools.

Cost of the project, if voters approve the current bond issue, will be borne largely by the state. The current bond issue of $235,000 would bring the district up to its bonded indebtedness capacity and qualify it for the $1,663,588 state aid which has already been conditionally allocated to the Campbell Union School District.

TWO-THIRDS NEEDED

The allocation becomes final if voters approve the bond issue by a two-thirds vote and, at the same time formally approve receipt of state funds.

No money will be reurned to the state until the tax rate for bond redemption has been reduced below 40c rate. As a result, authorities consider it likely that a major share of this loan will become a gift to the Campbell Union School District.

Actual cost of the $235,000 bond issue to a taxpayer with a home which has an assessed valuation of $3000 would be approximately $3.25 per person, or less.

W. C. HENLEY ASKS SUPPORT ON BOND VOTE

District Superintendent William C. Henley spoke briefly on urgent need for new schools and better facilities in existing schools at the Campbell Elementary School Parent-Teacher Association meeting this week. He asked the PTA for its support in the coming bond election to provide funds for these improvements.

Mrs. Lloyd Brown, president, conducted the Tuesday meeting and announced that Mrs. R. E. Kallam has been appointed civilian defense chairman for the group. The chair passed a recommendation that the PTA unit purchase additional cups for the school cafeteria.

Mr. Richard Gordon announced that the benefit play, Noel Coward's "Blithe Spirit" which the Footlighters will present next month, will provide necessary funds for new instruments needed by the school orchestra.

Principal feature of the meeting, a panel discussion on "Understanding Our Arithmetic Program" was interesting presented by students, teachers and mothers.

Roger Merrill, cub scout from Pack Nine, led the pledge to the Flag, and Mrs. Richard Man led the inspirational. The secretary, Mrs. Charles Freude, read minutes of the previous meeting, with Mrs. Ray Davis giving the treasurer's report.

Mrs. Howard Keech announced that a surprise act is being planned by the teachers for the coming variety show.

Mrs. Everett Nelson reported on the membership drive. Report of the room moother committee was given by Mrs. George H. Heiser.

Refreshments were served in the cafeteria.

VFW Commander Scores Inequalities In Draft Setup

Alfred L. Lord, commander of Lt. Byron C. Lanphear Post 6305 of Campbell, has received word from national VFW headquarters, Kansas City, Mo., that the VFW national commander, Charles C. Ralls, has criticized certain parts of the draft program.

According to Lord, Ralls attacked the present system of calling up national guardsmen and reservists without regard to family ties, former disabilities or other causes for which draftees are deferred.

Ralls called for early revision of these regulations to provide more balanced and justifiable program in building up the armed forces personnel. The national commander said there should be an equalization between those who have never worn the uniform and those men who have previously jeopardized their safety in the nation's interest.

"One glaring inequity seems to be that inactive reservists with service disabilities ranging up to 30 percent or more are being recalled and placed on limited active duty. Certainly some of the deferred draftees could also serve on limited duty where some physical qualities may be lacking."

Ralls said the VFW is on record favoring advance of the draft age to 35 years and tightening up on deferments which might give selective service boards a greater opportunity to work out a justifiable program.

"While I understand that the House Armed Services committee, of which Rep. Carl Vinson is chairman, has under consideration corrective legislation to present to Congress upon its return to Washington on November 27, the VFW feels that something should be done for those who have already been inducted under this unequal setup," Ralls concluded.

Chamber Approves Whiteway Plans; To Sponsor Children's Xmas Project

Campbell Chamber of Commerce authorized its board of directors to proceed with the necessary steps for establishment of a whiteway on Campbell Avenue and Winchester Road, when the group held its general session Wednesday night. More lights will be installed on Campbell Avenue from the bridge to Winchester Road to Rincon Avenue. In addition other lamps will be placed in the area.

Memebrs rejected the Christmas sales promotion plan on recommendation of the merchants' committee which announced there is too little time to obtain full value from the plan to give away about $750 in merchandise. Time consumed in printing and distributing tickets and getting the program underway would leave too brief a period before Christmas for realization of the full investment.

The same committee recommended that the 1951 Christmas sales promotion committee begin definite planning as early as September 1951 so that the program can be underway early enough to provide the desired benefits.

Local merchants will begin observing 9 p.m. closing hours each week day until Christmas on December 4. The late shopping hours will end Christmas Eve.

CHILDREN'S PROGRAM

In place of the Christmas sales promotion, a committee headed by Cel Gerevas, was named to plan some kind of children's program. Gerevas will be assisted by Dobie Jeffers, Frank Accardi and Pete Lico. Full arrangements will be announced in the near future.

Secretary - manager Forrest Reese, in reporting on the meeting, said Frank Accardi, "in his usual inimal fashion, gave us a very constructive and interesting discourse on the advantages of

Reese also commented dryly on the conspicuous absence of the chamber officers at the meeting.

Next board of directors meeting is slated for December 4. The general session has been set for December 20.

OPPOSITION TO POLICE DISTRICT PROPOSAL INVITES LEGION PATROL TO PUBLIC MEET; SUPERVISORS PROMISE HEARING CONTINUANCE

MAXIMUM TAX LEVY WITHOUT VOTE WOULD BE .50 CENTS: PROPONENTS

Opponents of proposed formation of a Campbell Police Protection District have invited proponents and all others interested to meet with them Monday night at the Ainsley Corporation office on Harrison Avenue to discuss other possible means of obtaining needed protection for this area without recourse to police district. The 7:30 p.m. meeting will be conducted by Joseph Gomes, chairman of the opposition committee.

Rex Kaber, representing the Volunteer Legion Patrol which has sparked the police district drive, indicated he plans to be on hand.

MAP STRATEGY

Meanwhile, both groups held separate meetings this week, one to map further sttrategy for opposing establishment of the district through organizing strong resident-voter opposition, and the other, the Legion Patrol, to discuss statements issued by the opposition and to further their endeavors for the district formation. Proponents also laid plans to stymies opposition moves by preparing to reinstitute entire preliminary proceedings in the event Gomes and his organization are successful in killing the disttrict.

At the patrol meeting Tuesday night Kaber said reports that the district tax rate could be raised as high as $1.72½ cents per $100 assessed valuation were untrue. Maximum tax rate under the law is 50 cents, he stated. Kaber added that an additional $1 per $100 valuation could be assessed, but only through acceptance by the voters at a special election.

Further, said Kaber, the police commission, contrary to previous claims by the opposition, is responsible for its receipts and disbursements under California penal code. The commission must keep accurate record of all fund transactions, and the books would be audited by the county auditor.

After a conference with County Counsel Howard Campen, Kaber agreed that the police district law allows the commission broad powers, and does permit the commission to make ordinances to a certain extent. "After all," said Kaber, "those commissioners are elected. They are responsible to the people of the district. If they don't carry out their duties, then the people can refuse to re-elect them."

NO VOTE PROVISION

As far as the taxation without representation is concerned, "we, too, would like to bring the formation of a police district before the voters, but the law does not provide for an election."

Opponents of the district, represented by Attorney Richard Morton, were successful in obtaining promise that the public hearing on the matter, slated for Novmeber 27 before the County Board of Supervisors, will be postponed until December 28 at 10 a.m. Campen told the Press that the hearing cannot be postponed ahead of time. "When the district comes up for a hearing on November 27, the board told Morton it will order a continuance until December 28 at 10 a.b. The board cannot make a formal continuance until November 27."

Kaber said the police district can be operated with a 30 cent maximum tax rate for the first year. This will provide $36,000, with which a five-man force could be operated, with auxiliary assistance of the Legion Patrol. Probably, in the period after the first year, the tax rate would be between 20 and 30 cents. Arrangements would be made for desk and locker spac ein the new fire hall on Central Avenue.

Moorpark Men Endorse School Bond Issue

Campbell Union School District bond issue received endorsement of Moorpark Men's Club at a meeting Wednesday night. The bond issue and proposed building program were subjects of the evening speaker, Principal John Duncan. Duncan told the group of the growth of the district's school population from 1000 in 1944 to 2600 at present and pointed out expected increases which will bring enrollment to at least 5000 by 1954.

The $235,000 bond issue, if approved by voters in the Dec. 14 election, would qualify the district for a $1,663,000 state allocation that would finance the proposed school building program.

New officers were installed at the meeting. They are Ori DiBenedetto, president; Monty Montello, vice-president; Jerry Ginney, secretary; Frank Young, treasurer.

'Blithe Spirit' Promises Hilarious Treat; Footlighters To Present Comedy In Dec.

Rehearsals are in the fourth week for Footlighters who are presenting "Blithe Spirit" December 7 and 8 for the benefit of the Campbell Union Elementary District orchestra.

The play promises to be an hilarious one in that Charles Condomine, played by Bert Legg is plagued by the ghost of his dead wife Elvira (Betty Legg) who has returned to the scene of her triumphs to make life miserable for Charles and his present wife Ruth (Thais Ackerman). Inasmuch as Charles is the only one able to see Elvira, situations are highly complicated for him and extremely funny or aggravating to everyone else—depending on their point of view.

The part of Madame Arcati, a medium, and the innocent cause of Elvira's appearance on the scene—is being played by Alma Fanning. Budd Levenberg and Jeanne Sheeder are Dr. and Mrs. Bradman, friends of the Condomine's; and Rhoda Clark is Edith the maid, who can't forget she was once in the Navy and still wants to do everything "on the double."

Footlighters are looking forward to putting on "Blithe Spirit" as it presents a challenge to their ingenuity in lighting and stage setting as well as characterization.

Proceeds from the play will go toward buying instruments for the Campbell School District orchestra under the direction of Richard Gordon. A more worthwhile project would be hard to find and Footlighters and Dick are hoping that Campbell will go all out to support it.

50 Buc Students Run In 'Turkey Trot' This Noon

Tally ho . . . Tooter toot your horn this afternoon.

At noon sharp, to be precise, for Campbell's first annual Handicap Turkey Trot will be off and running. Approximately 50 Buc stalwarts are out to cop the first prize, a juicy turkey.

The runner-up will receive a duck with a chicken and dove going to the third and fourth place finishers. Junior Morgan, member of the P.E. staff in charge of the affair, said that a consolation prize will be awarded to the last man across the finish line.

To assure a close contest and a fair shake to all participants, individual handicaps will be afforded. Rod Kolze, winner of the SCVAL mile last season, is the only man starting from scratch. The others will be stationed at distances ranging from 10 to 220 yards ahead of Kolze.

The runners will race on a 12 furlong cross-country type course that winds throughout the campus. Official starter will be Mr. Laurance Hill, high school principal. Mr. George Egling will be finish-line judge and Miss Helen Nielsen the timer.

Getting into the Thanksgiving holiday mood, the student body has chosen a Turkey Trot queen, Miss Barbara McBain.

A la Bay Meadows or Churchill Downs, the start of the race will be heralded by the strains of the familiar trumpet, tooted by student, Dick Bradford.

3-1 Grid Record

The Campbell high junior varsity gridders completed a brief but highly successful season last week by defeating Willow Glen, 12 to 6.

The Bucbabes won three and lost one this fall. The only loss was an upset at the hands of Bellarmine. Statistic-wise the locals scored 56 points and yielded 24.

According to JV mentor Junior Morgan, the following prospects loom brightly for next season's varsity eleven: Larry Pereira, rh; Dick Carter, q; Larry Sutton, q; "Big Bill" Gregg, fb; Bruce Harper, g; and Don Stockbridge, e.

By JERRY THOMAS

Despite King football's monopoly on the sporting scene this month throughout the nation, Basketba l in vassal togs, is slowly but surely worming its way into contention.

The professional loops already have started a long and weary schedule back east. Even colleges are sending out advance notices on their respective teams.

On the high school level the situation is the same . . . Campbell is no exception.

With the big traditional grid battle between the Bucs and Los Gatos having everyone interested no end, Coach Bert Robinson has quietly called his first basketball practice session for tomorrow morning.

In a brief chat yesterday, Robbie actually sounded half optimistic over the possibilities of this year's team. Or don't basketball mentors, like their grid cohorts, go into deep crying jags over the supposedly hopelass future?

Although Robinson will have only one regular from last fall's starting five back this season, the crop of lightweight and junior varsity material should prove more than helpful.

In SCVAL play last year, the lightweights finished in a tie for first place. They and Mt. View posted seven wins against one loss. Their older brothers shared a more dismal fate, winning two out of eight to wind up in seventh place. Only Gilroy finished below the Bucs.

About 50 men will answer the opening whistle tomorrow. That includes the varsity and B squads. Within a few weeks when footballs are deflated for the season more cage aspirants will report to Coach Robinson. Saul Estrada, end on the offensive grid squad, was starting guard for Robinson last year.

The former San Jose State college star said that he will carry between 15-20 men on the varsity this season.

Three returning varsity men that figure highly in Robbie's tentative plans are Nick Lersigni, forward, Stan Gazay, guard, and Leonard McCully, forward. But judging from the enormous exodus of players through graduation, the re-building program will afford plenty of competition for all positions.

Robinson is the first to admit that his team, in all probability, will lack height. In most cases, the absence of tall players in this day of basketball is like sending a pair of midget ends out for a pass with the tall man from Timbuctu in the secondary.

Robinson hopes to compensate for this by utilizing speed and more speed. He has several fast men that should fit his fast-break offense.

His quest for quick, agile ball handlers may be found in the group of men up from last year's B team, namely Jack Bray, center, and Frank Mantia and John Walters, guards.

The first game of the season is against Willow Glen, Dec. 8. Assisting Robinson will be Junior Morgan, erstwhile pivot man on Walt McPherson's club at State.

WHO, WHAT, WHERE . . . We all know that football is in the renovation stages at Campbell with so many experienced men gone through graduation last year.

In fact, 14 of this season's 33 varsity members have never played on any organized team before. So it's obvious that many a player on last year's squad is now playing elesewhere.

Several people have asked us where some of the boys are now located.

After countless hours of tedious research (one phone call to be exact) we ran down the whereabouts of a few graduates. And to no one's surprise all are more than holding their own on "big college" frosh teams.

Harold Taylor is first-string center for the UCLA Bruin frosh eleven. Dudley Herschback, after much competition, has secured the No. 1 end position on Stanford's freshman club.

Del Ambler is one of the few sparkplugs on the San Jose State frosh. And up California way, Pete Young has anchored down a starting end post on the Bearbabe eleven. Taylor, Herschback and Ambler made All-SCVAL honors last season.

Yet, Young, in certain circles, is regarded as the brightest prospect of all four. Under Pappy Waldorf's tutorship, Young, if possessing such prowess, can go a long way, but for sure.

Incidentally, Taylor and Herschback met the other day . . . on the gridiron that is. The Stanford frosh travelled southward for a game against the Uclans.

Both boys had dinner following the game, and discused whatever football players discuss. Since the Bruins lost, Taylor no doubt did the majority of listening. But, in the long run, they were probably even. Whenever Dudley became carried away with Stanford's grid talents, Hal, no doubt, reminded him of a certain varsity game between the two schools.

IN A RUT . . . Billy Wilson, one of the better (if not the best) gridders to graduate from Campbell high, continues to lead his San Jose State team-mates in the pass catching department.

According to the latest release sent out by Danny Hill, athletic news director, Wilson has snagged 17 passes thus far this season. In all, Spartan quarterbacks have completed 51 tosses for 929. The Snuffer has caught exactly one-third of them (ah, such mental quickness shocks me). He is only five yards shy of amassing one-third of the total yardage also . . . In other words, so my editor tells me, Wilson has totalled 308 yards on his passes. Out of the five touchdowns registered through the air, the Campbell flanker has tallied two of them.

Lightweights Cop Two Cage Wins From San Lorenzo

The unpredictable lightweight basketball squads were on again Tuesday afternoon as they took two from San Lorenzo high on the losers' home courts.

In the opener, the 110-exponent club walked away with a fairly easy win, 21 to 12. Half time scores read Campbell 12 and SL 4.

Forward Arnaud led the locals with eight points. Captain Hoover collected 4.

The 20's experienced a little more difficulty as they were forced to rally for 10 points in the final period before winning, 24 to 17.

It was Harold Shumway's four fourth-quarter baskets that paved the victors' path. Adding one other field goal, Shumway led the Buc quintet with 10 points.

The half time score found the teams deadlocked at eight points apiece.

Ten Teams Sign For Cage League

Thus far 10 teams have served notice that they intend to play in the Adult Basketball League at Campbell high school.

League director Bert Robinson announced yesterday that there still are openings for two more teams in each division.

According to Robinson the "A" division will play an independent schedule Thursday evenings. The "B" division will hold forth at the gym Tuesday nights.

The following clubs through managers have signed up for league play in the A division: Western Gravel, Bill Burgstrom; Tony's Busy Bee, Abe Rodrigues; McCuen Citrus, Hal Sonntag; Rossi's, Paul Prendergast; and Jones' Service, Richard Villafuerte.

Members of the "B" group are Maderis Mkt., D. Duckgeischel; California Supply, Orlando Tamburino; Campbell Hardware, Cel Gerevas; Sisemore's, George Sisemore; and S. C. Lumber, Tony Fernandez.

17 Seniors In Final as Locals Meet Los Gatos Here; Indians Scalped, 25 to 6

After finally tasting the sweet fruit of victory, Jim Muir's Campbell football eleven has its grid appetite well whetted for a Thanksgiving date with the Los Gatos Cats.

In a traditional battle (every team, be it pro or high school, has a traditional biggie) the Bucs play host to the Cats Thursday morning at 11 o'clock on the local field.

Although gobblers and sundry other fowl will prevail on many a dinner table that day, the locals will gladly settle for an afternoon of hamburgers . . . if they can feast on catburger earlier in the day.

Starving after six weeks of gridiron famine, the Bucs suddenly forgot their manners last Friday and became rude hosts to the Fremont Indians, trimming the Sunnyvale school 25 to 6.

Led by Andy David, their All-SCVAL candidate, the Buc forward wall consistently outcharged the Indians, making their backs enjoy themselves no end.

Further proof of the success of the ground attack may be found in the fact that not a single pass was completed. With Frank Calabray, Charlie McBain, and Tom Rhodes running true to form quarterback Johnny Perata only tossed two passes for variety's sake.

The Bucs are idle this week Muir said that two-hour practice sessions will be held daily. The junior varsity will scrimmage their big brothers throughout the week, running through various T formation plays used by Los Gatos.

For the first time in many a week, the Campbell squad will be at full physical strength. Bob Saia, stellar half, will return to the starting line-up. He missed last week's tussle when he sustained a wrenched knee against Bellarmine high.

Thursday's contest marks the swan song for 17 seniors. Eight of them hold down first-string assignments. In all, Coach Muir will lost 10 backfield men and seven linemen.

Those playing their final game are Bob Saia, Charlie McBain, Dave Baxter, Al Yamashita, John Perata, Harley Thompson, Eddie Cox, Frank Calabray, Bill Anderson, and Duane Burrows, all backs. Up front the following linemen will play their good-bye game; Paul Stark, Saul Estrada, Bill West, Andy David, John Hoover, Alex Stepovich and Chuck Gibbons.

Gibbons and David were chosen by their team mates as co-captains for the game and for the season.

In the Los Gatos eleven the Bucs will meet a team that features a fairly-balanced attack. In Jim Wagner and Dick Whiteman, the Cats have two of the better ends in the valley. Glue-fingered and quick, they will be chief targets for the tosses of quarterbacks Ben Pierce and Ron Rovai.

Coached by Fred Canrinus, former St. Mary star, the Cats are currently roosting in third place in the SCVAL standings. They have last two league games thus far, to Santa Clara and Mountain View.

Following is a brief summary of the scoring plays of the Buc-Indian tilt:

Campbell started its parade of first-half touchdowns early in the opening period. Calabray, on a handoff from Perata, broke off tackle from the Fremont 20-yard line. He outran the secondary to score standing up. Kick was no good. Score: Bucs 6-Indians 0.

With the second quarter a few minutes old the Bucs had the ball on their own 43 yard line. Perata then pitched out to McBain who circled left end, hit the sidelines, and behind some sharp blocking went all the way for Campbell's second TD. Kick again failed. Score: Bucs 12 Indians 0.

A few plays later, Calabray tallied his second touchdown. With the ball on the Indian 12-yard line, the hard running half went over center on a quick opener to make the scoreboard read: Bucs 18-Indians 0.

Tom Rhodes, subbing for the injured Saia, scampered some 30 yards for a touchdown in the final minute of the first half. Yamashita made his fourth try for point successful. Score Bucs 25-Indians 0.

Incidentally, the Bucs had one TD called back by a penalty.

The second half found Coach Muir clearing his bench. Every man played for awhile. With the Buc ground attack eating up about 200 yards in the first half, the Indians threw in a seven and eight man line on defense.

The Indians' lone tally came late in the final period. A passing attack carried them down deep into Buc territory, setting up the TD. As in the first half, Fremont was unsuccessful on the ground.

Final Score: Campbell 25-Fremont 6.

More About Factions To Confer

(Continued from page 1)

ponents planned to circulate petitions throughout the area with the hopes of registering at least two-thirds of the voters in each precinct plus individual residents in the district perimeter. With the two-thirds opposition, a precinct may withdraw from the district. If sufficient precincts withdrew by this means, the board of supervisors could declare the district inoperable due to lack of compact area. Otherwise it is is mandatory that the supervisors declare the district established at the public hearing.

Opponents also cleared the misunderstanding about the tax rate, and came to conclusions agreeing with those Kaber reported.

In addition to committee members working for the opposition, as listed last week, Gomes announced that W. L. Gerrans has joined the group. Principal objections to the district stem from the wording of the law, itself. Opponents believe the tax rate would constitute too heavy a burden without providing adequate protection, and that the commissioners' powers are too extensive, due largely to failure of the law to define their duties in detail.

MRS. L. J. HILL TO HEAD LOCAL SEAL SALE DRIVE

Mrs. Laurance J. Hill has been named 1950 Seal Sale chairman for the Campbell area, the County Tuberculosis Association announced today. Mrs. Hill will handle arrangement of window displays, placement of coin boxes in local business houses, and arrangements for a movie trailer at the Campbel Theater. She will be assisted by Boy Scouts of the area.

This 44th national annual sale will get underway next Monday with mailing of 90,000 letters to residents of this county. Proceeds of the Christmas Seal sales finance the year 'round program of the Santa Clara County Tuberculosis Association. This year's seal was designed by Anfree Dugo, famous illustrator, who also designed the 1943 seal. The colorful seals represent angel-children on a green and red background.

Mrs. Hill urged all citizens to make prompt returns when they received their seats by mail so that 1951 plans of the asociation may be prepared.

Nursery Care At Cong'l. Church

Nursery care is now provided at the Congregational Church every Sunday, for children too young to attend the Church School. Members of the Friendly Circle take charge of the nursery, thus enabling parents of very young children and babies to attend church. Since church and church school are both at the same hour —10:30 a.m. on Sundays—the addition of the nursery makes it possible for every family to attend church and all can be home by noon.
